## NEWS FLASH !!!

### PLEASE NOTE !!!

By request, this month's workshop has been changed to cover the topic "*Introduction to Sailboat Racing*". It is specifically aimed at some of our many new junior members and anyone else new to the sailing/racing scene.

**TOPICS :** What is sailboat racing?  
Is racing only for the hot shots?  
What should I know and be able to do if I want to start racing?

#### IN SYMPATHY

The Executive Committee and Members of TCC would like to express their heartfelt condolences to Alta, Garret and Margot on the passing away of Willem Kruger on 05 March 2011.

The Krugers have been members of TCC since 1991, while Willem was Commodore during 2007-08.

Willem was an excellent sailor who did not like racing but loved sea-sailing, especially off the North Coast, Mocambique and Mossel Bay.

A memorial service will be held at the NG Kerk, Bryanston on Friday 11 March @ 14h00
