

## Editor's Note

The last Newsletter stated that Kyle Boman had come "2nd Overall" in the Club Regattas.

This was incorrect.

Douglas White achieved that honour.

Also, Kyle Boman was omitted as the "Most Improved" sailor.

My sincere apologies for the incorrect reporting

TCC NEWSLETTER :October 2011

# FORTHCOMING EVENTS

**ANOTHER LIGHT BREEZE ??**  
 Gale force winds swept through TCC again last week. A number of boats were thrown about and, sadly, one was badly damaged. Our signboards were flattened and over 20 large trees either broken or uprooted. These strong winds seem to be becoming the norm and we urge you to come to the Club and check your boats.

**OCTOBER CLUB REGATTA**  
 There being no wind, it was decided to spend the morning practising starts and suchlike. So with Rudi, Simon, Laura and Shayene on the Bridge, the fleet did lots of starts, capsizes and ended up with a fun race.
